

# *Timmins - Live the North!*

Timmins started life as a gold mining community and is called "The City with a Heart of Gold". It is a regional shopping, recreational, and cultural centre with a local population of over forty-seven thousand people that serves a regional population of almost a hundred and twenty thousand.

Facilities in Timmins include the Timmins Regional Airport, which is one of the largest airports in northeastern Ontario. It is serviced by three airlines, with several flights daily to Toronto, and Ottawa, as well as several small centres throughout the north.

The Timmins and District Hospital is a one hundred and sixty-seven bed facility offering a full range of health care services and is one of the largest, most modern and sophisticated hospitals in northeastern Ontario.

Timmins is also a regional business centre, and boasts two major shopping centres, as well as excellent convention facilities at several large hotels and resorts.

Many people who are new to the north are pleasantly surprised at the amenities and the rich quality of life that can be enjoyed here in Timmins, the "City with a Heart of Gold".
